Vision	Helping people answer the call of God on their lives
Missions	Education, Word of God, Helping Ministries, & Connecting

Education:

Praise

- * Kjell is teaching 9-12 grade English and we now have an 11th, 9th, 7th, and 3rd grader. So far, Marcy has chaperoned two class field trips and met some parents.
- * Kjell taught a full day workshop, "Creating Student Growth," for 40 teachers (English & Spanish speakers) in a town outside of San Pedro.

Word of God:

- * 1 Nation, 1 Day was a huge week long saturation of the gospel in Honduras. We all met and heard Kari Jobe sing and heard her father preach (pic on web and fb). Marcy attended a Pastoral/Leadership Conference that filled a coliseum, and we watched the one day event that panned to cities throughout Honduras.
- * Marcy's discipleship with Passports went great. They loved the hands on approach to applying the word of God and finding God's plan for their lives.
- * Marcy conducted 2 vision mapping consultations with missionaries.
- * Marcy attended and then began teaching two missionary talks: Transitions and Cultural Adjustment. After understanding what is happening with entry and re-entry, cultural value differences, and variety of emotions, missionaries are being set free through some basic truths that are helping them overcome frustrations.

Helping Ministries:

- * Katarina and Mikayla went for two nights to Heart of Christ Ministries to help with babies and set up a chair for bathing special needs children and Rebekah helped them a different day to label medicines for World Gospel Outreach.
- * We helped a missionary teacher move from Copan to Tegucigalpa and a missionary move from Tegucigalpa to our basement!
- * Marcy helped transport missionaries after returning from furlough.

Connecting:

- * A boy that was kidnapped was released (unharmd and no ransom paid). Word and prayer spread quickly over and through the Honduran Fellowship.
- * Missionaries shared some great safety suggestions for banking after a robbery.

Prayer

General:

- * Clarity, wisdom, and direction for each day and the future.

Education:

- * Pray for a peace to come over the atmosphere at Discovery School.

Word of God:

- * Pray for doors to open for Run the Race Seminars and Missionary Talks.

Helping Ministries & Connecting:

- * Pray that missionaries connect, use, and share valuable information.
