

Answer the Call

Fenn Family in Santa Lucia, Honduras

KNOW THE HOPE OF HIS CALLING

**JANUARY
FEBRUARY
MARCH 2014**

Volume 2014, Issue 1

Vision	Helping people answer the call of God on their lives
Missions	Education, Word of God, Helping Ministries, & Connecting

HFMM Staff and Helpers

Education:

Praise

- * Kjell's application emerged as a possible Discovery School director candidate.
- * Kjell received an 'A' in both his online courses towards his Doctorate.
- * Kjell, Katarina, and Discovery School students went to La Ceiba for Model UN. They won 4 honorable mentions and 2 best delegates.

Katarina won 1st in the World Health Organization committee, Best Delegate, Future UN Delegate, Encyclopeida and Stuck On You Awards. They enjoyed the beach and learned about aquaponics from the missionary family they stayed with.

Word of God:

- * God moved mightily at the Honduran Fellowship Retreat. There were 244 members and helpers, 64 ministries, and 7 countries represented. God was in the details, travel, safety, health, peace, protection, two sessions I taught, worship, messages, knitting together of hearts, unity, reconciliation, collaboration, networking, helping one another, refreshing, rest, and fellowship! Great messages on Holding Each Other's Rope as well as Living By Faith.

Helping Ministries:

- * Marcy shared the Change/Transition and Cultural Adjustment talks with Embassy workers and spouses. She was able to offer her contact information as well as information on the English speaking church services available in Tegucigalpa. Lots of people shared openly about where they were in transition and how difficult cultural adjustment is as well as strongly recommended that these courses be taken to their 'higher-ups' and to Washington, DC and be required!

Connecting:

- * God is moving among the First Lady and some young senators in Congress to work with the missionaries in the country. This could include help at immigration, receiving containers, the exit tax, etc.

Prayer

Education:

- * Pray as Kjell continues his Doctorate in Education through Liberty online.
- * Pray for Kjell to get an interview & be accepted as the next director of Discovery.

Word of God:

- * Pray that Embassy workers/spouses will attend an English speaking church, get involved with ministries, request vision consultations, and stay in contact with me. Pray for future times to share with new workers/spouses.

Answer the Call Training and Care Center (ATC TCC):

- * Pray for the dream of a center for equipping (missionary training and debriefing), coaching (ministry workshops and retreats), and restoring (get-aways/counseling). Marcy goes to member care training in Liverpool, Pennsylvania April 1-11.

Pray for a retreat center big enough for all of our members!

"I had the best day ever at school today with the kiddos and we were even minus one teacher! I gained so much information and wisdom from the HFFM retreat this weekend. Thanks to Marcy Fenn for her insight into Honduran culture and all the others that shared their wisdom and insight." - Debbie
