Vision	Helping people answer the call of God on their lives
Missions	Education * Word * Helping Ministries * Connecting

Highlights

- * I set up a MailChimp account for the monthly email updates. I may have missed some people and added some people not originally on the list. Only 40 out of 125 are opening them. Please email me if you would like to be added and simply hit unsubscribe at the bottom if you would like to be removed. We covet your prayers and encouragement.
- * Lots of changes when we returned from our home assignment. Kjell started as Curriculum Coordinator at a new school. Three of our kids joined him 3 weeks later. Transition has had its ups and downs as we settle into the new routines.
- * God has answered my prayer for some training, but instead of me going to the States, He has sent training to me (boundaries, self care, transitions, managing stress, and member care training). More training is coming here in November.
- * I taught Change/Transition and Cultural Adjustment classes back to back for staff members at Jimmy Hughes Ministries in Zambrano (where we lived for 3 years). It was great to see everyone again.
- * I conducted a crisis debriefing with a missionary whose home was robbed while she was in the city. Pray that everything lost is restored.
- * I met with a ministry about the growing pains they are experiencing in their ministry and what steps to take to move to the next level.
- * Our tenant moved out and I barely had the basement set up when a missionary came for care. Here for two days, we covered loss and grief, expectations, new missionary booklet, change/transition, managing stress/self care, vision, etc. Pray as she works through her action plan.
- * For one night a mother & Honduran son she is adopting stayed with us. They returned to the hotel because it was too much to make another move. Pray for peace, completion of papers, and a smooth transition.

NOTE: For donations for furnishings or scholarships, note Project CARE.

- * Pray for these upcoming events for missionaries: Singles Event (Oct 3-4); Living Your Strengths (Oct 20,22); One Day Retreat (Oct 29); Women of Purpose (Nov 6-9). Pray for a time of refreshing & renewal.
