Vision	Helping people answer the call of God on their lives
Missions	Word of God, Helping Ministries, & Connecting

Highlights

- * The Honduran Fellowship hosted a series of events. The Singles retreat was a first time ever to see what types of needs singles have on the mission field. The Living Your Strengths workshop was a great compliment to the Run the Race Vision mapping seminar and consultations. I will be able to use some of the material in locating a person's call. I highly recommend the Gallup Strengths Finder test online. I helped on the worship team for the Missionary Day Apart and it was a great time of refreshment and fellowship for missionaries.
- * We started a Missionary Bible Study called Iron Sharpens Iron in our home on Thursday nights. We are studying Paul's letters to the churches in chronological order beginning with Galatians.
- * Two missionaries stayed at the ATC TCC Care Center before and after the Women of Purpose retreat. Events are a great way for me to find out what is going on with missionaries and connect them with help and care.
- * The Honduran Fellowship General Assembly was combined with a Thanksgiving Potluck. I shared on 'who does what' in the office so that missionaries are aware who to contact and what services are available.
- * Through a connection with World Race (short term missionaries who go to 11 countries in 11 months), I was able to conduct a Cultural Adjustment talk for one squad. They went from not recognizing any value differences or areas of shock to realizing they had all experienced both to varying degrees. We had some great discussions and application.
- * I conducted 3 vision mapping consultations. It's always great to see more of who God is through missionaries personally and through ministry.
- * The girls and I helped with food prep for a Christmas dinner to be served at a prison for gang members. We were not allowed to enter prison due to a new law about minors not entering unless seeing immediate family.

NOTE: For donations for the ATC Care Center, note Project CARE.

Pray for these upcoming events: Cape Cares Brigade (January 17-23) and the Honduran Fellowship Missionary Retreat (February 12-15). Pray for wisdom and an easy follow up system for the care of missionaries. Please pray for a smooth permanent residency process. After this, we just renew each year.

THANK YOU FOR YOUR SUPPORT! WE APPRECIATE YOU!

We covet your prayers, encouragement, and support.
